Ethics as an Investment Enabler: Building investor confidence in the African markets

The Regional Centre of Excellence of the Financial Services Commission, Mauritius, in collaboration with the Bank of Mauritius and the CFA Society Mauritius (CFASM) and with the participation of the Organisation for Economic Co-operation and Development (OECD), will host a virtual technical training on **Ethics as an Investment Enabler: Building investor confidence in the African markets** on **Friday, 04 December 2026 at 10:00-11:30 hrs** (Mauritius Time).

Overview

Ethics is a fundamental pillar of investor confidence, market integrity and sustainable investment. This technical training will examine the consequences of unethical practices through local and international investment scandals, while highlighting the importance of ethical leadership, transparency, accountability and sound corporate governance.

The technical training will explore how embedding ethical principles beyond regulatory compliance can strengthen financial markets, attract investment and foster long-term economic development.

Participants will be entitled up to 1.5 CPD units from the ACCA & up to 1.5 PL credits from the CFASM.
