

The Regional Centre of Excellence ('RCE') of the Financial Services Commission, Mauritius ('FSC') in collaboration with the Organisation for Economic Co-operation and Development ('OECD'), will host a hybrid workshop on **"Promoting good corporate governance" on 18 & 19 May 2023 at 13.00-15.30 hrs (Mauritius Time).**

### **Overview of the workshop**

The workshop will include three (3) main sessions:

The first session will focus on the G20/OECD Principles of Corporate Governance, and the main international standard in the area of corporate governance. The G20 OECD principles are currently

being reviewed and the main revisions will be presented and discussed, as well as the global relevance of the Principles.

The second session will be a roundtable discussion between the African countries on corporate governance frameworks, and the current challenges and opportunities.

The third session will be a panel discussion on sustainability and corporate governance.

Sustainability is a key focus of the revised Principles and the new provisions will aim to help companies better manage environmental, governance and social opportunities and risks.
