Financing sustainable growth and resilience: International experience and African perspective

Dr Carmine Di Noia

Director for Financial
and Enterprise Affairs
at the Organization for
Economic Co-
operation and
Development

Dr Carmine Di Noia is the Director for Financial and Enterprise Affairs at the Organization for Economic Co-operation and Development (OECD), from 2022.

Previously, he was Commissioner of the Italian Securities and Exchange Commission (CONSOB) from 2016. He was also alternate member of the Board of IOSCO and the Board of Supervisor at the European Securities and Markets Authority (ESMA), chair of the Committee of Economic and Markets Analysis (CEMA) and of the Post-Trading Standing Committee at ESMA, and vice chair of the Corporate Governance Committee at OECD.

He had been Deputy Director General at Assonime, member of the board of the Italian Stock Exchange, chairman of the Policy Committee of European Issuers and head of the technical secretariat of the Italian Corporate Governance Committee.

He was member of various working groups at the European Commission: European Securities Market Expert Group (ESME), Clearing and Settlement Advisory Monitoring Expert Group (CESAME); Forum Group on Auditors Liability; Securities Expert Group on FSAP.

He is Full Professor of Financial Markets and Banking at the Business School of Luiss University in Rome. He holds a Ph.D. in Economics at the University of Pennsylvania and a Doctorate in Economic Theory and Institutions at Tor Vergata University.

Financing sustainable growth and resilience: International experience and African perspective

John O'Shea

Policy Analyst, Capital
Markets and Financial
Institutions Division,
OECD

John O'Shea is a Policy Analyst in the OECD's Capital Markets and Financial Institutions Division, where he has worked since 2025. His work focuses on sustainable finance and corporate sustainability, with an emphasis on the intersection of financial markets and policy frameworks.

Prior to joining the OECD, John was a Research Associate at the Federal Reserve in the United States. In this role, he contributed to research and policy projects on macroeconomic, monetary, and fiscal policy, with particular focus on public finance, price dynamics, and applied econometrics.

John holds a Master's degree in Economics from the University of Cambridge, and a dual Bachelor's degree in Economics and Statistics from the University of Florida.

Financing sustainable growth and resilience: International experience and African perspective

Valentina Cociancich

Policy Analyst, Capital
Markets and Financial
Institutions Division,
OECD

Valentina Cociancich is a Policy Analyst in the Capital Markets and Financial Institutions Division at the OECD. She joined the organisation in 2023, focusing on sustainable finance and corporate sustainability. Prior to this, she worked as a Senior Consultant in Italy and France, where she carried out assurance and advisory activities. Her work primarily covered sustainable finance regulation, ESG risk management, net-zero goals, and the sustainable bond market.

Valentina holds a Master's degree in Economics from Università Cattolica del Sacro Cuore in Milan, where she wrote her thesis on an empirical analysis of the green bond premium. She also studied at the University of California, Los Angeles, as part of an exchange program.
