

Technical training on

## Impact of geopolitical tensions on trade finance and cross-border payments

Virtual

Date: Friday, 29 May 2026

Time: 10.00-12.30hrs (Mauritius Time)

[Register now](#)

### Background

This technical training will explore Africa's positioning within a multipolar global order, including the evolving architecture of trade finance and the need to strengthen resilience in payment systems. Particular attention will be given to the role of digitalisation in enhancing efficiency, transparency, and robustness in cross-border transactions amid heightened uncertainty. It will also consider broader transmission channels of geopolitical risk to emerging markets, including financing conditions and systemic vulnerabilities.
